

PROJECTS | MANAGERITALIA | Piattaforma Welfare Dirigenti del Terziario 2025

The National Collective Agreements, signed by Confcommercio, Confetra, Assologistica, AICA, Federagenti, Federalberghi, and Manageritalia, introduced a mandatory welfare contribution for Executives through the Piattaforma Welfare Dirigenti del Terziario, created and managed by CFMT.

We actively contribute to innovating welfare service offerings for tertiary sector Executives by providing Coaching and Mentoring Programs on the following topics:

Life Coaching | Personal Development and Wellbeing

Life Coaching | Eastern Philosophy for Personal Wellbeing

Life & Professional Coaching | Work-Life Balance Management

Life Coaching | Life Purpose & Behavioral Gyms

Life Coaching | The Wine Metaphor for Self-Awareness and Self-Confidence

For some Journeys, we integrate Life Coaching with Nature Nexus Coaching formats through walking sessions, short retreats, mindfulness-based activities, and territory-based sensorial experiences.
