

# CINNAM

coaching and innovation mentoring

## CINNAM SRL

CINNAM is a servicing company and a professional network focused on sustainable market leadership enhancement of its clients.

Our purpose is to contribute to Your performance, sustainability, and to overall people and planet wellbeing.

CINNAM offers Business Coaching and Innovation Mentoring, Management Consulting, and Temporary Management Services.

We support You in personal and organizational dynamic moments and stages, inside profit e non-profit contexts.

We offer our assistance within people-oriented and business-oriented projects, interdependent, complementary, and, usually, combined.

Smart Assistance, in other words, CINNAMONline, assures, through web channels and digital social networks, the availability of our services online. It includes Business Coaching, Innovation Mentoring, Strategic Advisory, Creative Labs, and selected e-Learning programs. Smart Assistance could be complementary and blended with other services and deliveries.

Companies, networks and individuals may benefit from our approach

We have a wealth of experience in sectors such as automotive, facility management, health care and wellbeing, customer care, distribution services, fashion, design and food, non-profit, and business education.
